Forecast for Monday 16 Nov 2020

Weather: Early low cloud and showers will clear northwards early to mid-morning. Then largely dry with sunny spells through much of the day. Clouding over during the afternoon with light rain following behind, turning heavy later in the evening. Gusty winds easing a little during the morning.

Chance of cloud free mountain/hill tops above 800m: Low at first but increasing to high through the first part of the morning. Low again into the evening.

Visibility: Generally good, poor at height at first and at all levels as the evening progresses.
